

Swimbridge Pre-School Ofsted Praise

Swimbridge Pre-School staff, committee, parents and children have been celebrating after a recent inspection by Ofsted.

They were delighted to be judged **good** in all other areas but **outstanding** for the extent to which children achieve and enjoy their learning, make a positive contribution and develop skills for the future.

Sarah Smith, supervisor said, "One of the things children and parents like about the pre-school is its size. There are no more than 12 children attending each session and the children feel at home very quickly. Because we only take 3 and 4 year olds we are able to focus very specifically on their needs and interests."

The Ofsted report highlighted how staff plan stimulating and challenging activities that promote children's individual learning and that the children make extremely good progress towards their early learning goals. The report also commended the pre-school for its immensely child centred learning environment.

Amy McLaughlin, committee chairperson said, "We are so pleased that Ofsted have recognised all the hard work and enthusiasm that goes into making Swimbridge such a fantastic place for the children to come to. We are so lucky to have such a dedicated and talented staff team."

The full Ofsted report can be viewed on line at www.ofsted.gov.uk . Any enquiries can be made to Swimbridge Pre-school on 01271 830357, mornings only.
